please do contact us on: 07768 534 434 or 01759 368 816

WOLDS  EDGE  
HOLIDAY LODGES

## *Our Story*

---

We moved to the beautiful Yorkshire Wolds from the South of England and have never looked back. The rolling hills and unspoilt countryside, with its close proximity to the historic city of York, has kept us enchanted with the area since our arrival.

With the help of my father, family and friends we carefully planned and built Wolds Edge. Our adventure began with Mill Pond Lodge in 2005, which is situated beside the newly restored pond where a wildlife haven now flourishes.

In 2010 we bought the small piece of land, known as Wolds Edge and in 2011 began carefully and lovingly designing the site around the existing planting and topography. All our accommodation, some named after the local dales, has been built ensuring it compliments the environment and natural surroundings, using locally sourced materials. Our vision and enthusiasm has enabled us to transform this small rural field into a national award winning collection of luxury self catering accommodation.

Deepdale and Fairydale were the first lodges we built and the rest of the site has gradually evolved to meet demand. Our love of the area has moulded Wolds Edge into this wonderful setting of seven individual lodges, two Snug Huts and our Treehouse.

Our aim is to create a peaceful, sustainable holiday location where you can explore the culture, coast and countryside or just relax and unwind.

We wish you a wonderful stay.

Best wishes  
Ruth and the Team

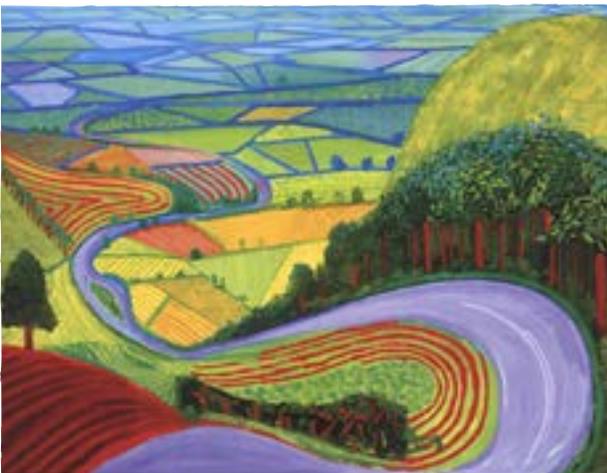

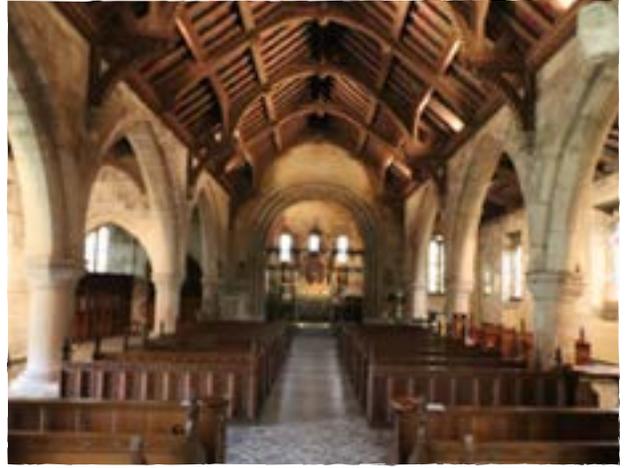

## *Bishop Wilton and the Local Area*

---

**WOLDS EDGE IS PERFECTLY SITUATED FOR GETTING OUT AND ABOUT. YOU CAN VISIT THE HISTORIC CITY OF YORK, ENJOY THE BEAUTIFUL YORKSHIRE COASTLINE AND EXPLORE THE WONDERFUL COUNTRYSIDE.**

Bishop Wilton village is considered by some to be one of the prettiest villages in East Yorkshire and lies at the foot of the beautiful and unspoilt Yorkshire Wolds. There is a good pub that serves food and a local community shop within walking distance. Through the centre of the village runs a lovely shallow beck, this is flanked on both sides by open grass verges that serve as a habitat for endangered wildlife including water voles, toads and newts.

In the Domesday Book, Bishop Wilton was simply referred to as Wilton. The Bishop prefix was in use by 1428, as the 'Manor of Wilton' was owned by the Archbishop of York. It was once home to the Archbishop of York's palace, which the local history group believes to have been built in the time of Walter De Grey, who was Archbishop from 1216-1255.

Our local medieval church, St Edith's is dedicated to Edith of Wilton. The church was restored in 1858-59 and was designated a Grade 1 listed building in January 1967. Beautiful carved stonework outside is matched by interior decoration, including a Roman-style mosaic floor fashioned after one at the Vatican and installed in the church by Italian workers in the 1800s. The floor was delivered in sections to Fangfoss station and brought by cart to the village.

North of the village lies Bishop Wilton Wold, known as Garrowby Hill, which is the highest point in the Yorkshire Wolds and inspired the artist David Hockney, to create this stunning landscape painting.

The area is popular with walkers and cyclists and there are a number of footpaths (including the Chalkland Way and Minster Way) on our doorstep or simply wander along one of the many local routes. You can also access a number of local and national bike rides from Wolds Edge, where you can cycle along quiet country lanes that criss-cross the rolling chalk hills and enjoy wonderful views, wildlife, historic places and pretty villages.

# Useful Information

- Please take off muddy shoes at the door as it helps us keep the lodge clean for you and if you would like some slippers – just ask us!
- **SMOKING** All our lodges and Snug Huts are non-smoking. Please do not smoke inside, on or near the decked area. If you would like to smoke we have provided a pot, away from the lodge for fire safety.

## Shopping

Please check opening times as these can vary.

- **THE BISHOP WILTON COMMUNITY SHOP**  
Mon-Fri 9am-5.30pm  
Sat 9am-5pm  
Sun 9am-3pm
- **CO-OP** in Stamford Bridge opens until late **CASH POINT (inside)**
- **THE BALLOON TREE FARM SHOP** on the right just after Stamford Bridge

## Parking

Parking in York is available but can be expensive. A good alternative is to use the Park and Ride bus. You will find this on your route to York.

Parking in Pocklington is free (Market day is Tuesday so parking can be a little limited at this time).

**Bus 747** Timetable at the back

## Petrol Stations

- **POCKLINGTON** BP Garage open 24hours with a cash point
- **GATE HELMSLEY** BATA on the A166 towards York (just after Stamford Bridge) 06.00-20.00
- **FRIDAYTHORPE** continue on the A166 towards Bridlington (5 miles approx) 07.00-19.00

## Defibrillators

Situated at the Village Hall and at the pub

## *Remember the Countryside Code*

Full leaflet in the back

- 1.** Keep dogs under close control but remember – if a farm animal chases you, it's much safer to let your dog off the lead.
- 2.** Stay informed on where and when you can walk in your area. Some areas of land are restricted if work is being carried out and during wildlife breeding seasons.
- 3.** Leave gates as you find them and if you're in a group, make sure the last person knows how to leave the gate.
- 4.** You should always stick to paths if possible but this is especially important in a field where crops are growing.
- 5.** Use gates and stiles where possible, to avoid damaging fences and hedges.
- 6.** Leave livestock alone, even if an animal appears to be in distress. In this case, contact the farmer.
- 7.** Litter isn't just dangerous to wildlife, dumping rubbish is a criminal offence.
- 8.** Give farm animals plenty of space, especially if they are with their young.
- 9.** By law, dogs must be on short leads in most areas of open country between March 1st and July 31st (to help protect nesting birds), and at all times near farm animals.
- 10.** Farmers are entitled to destroy a dog that injures or worries their animals – unless you completely trust your dog, keep it on a lead around livestock.
- 11.** Clean up dog mess. Make sure your dog is wormed regularly and take faeces back to the nearest bin.
- 12.** By law, cyclists must give way to walkers and horse riders on bridleways.
- 13.** Busy traffic on small country roads can be unpleasant and dangerous to local people, visitors and wildlife – slow down for walkers, cyclists and horses.

## Explore and Discover

### *On site you can:*

- Collect fresh eggs for breakfast from the wooden egg hut.
- Fill the bird feeders with free food provided.
- Borrow a kit and build a bird hide, use our binoculars and count how many different types of birds you can see.
- Go bat detecting or hunt for mini beasts.
- See the countryside in a different light, enjoy exploring the bridleways, green lanes & country lanes in the Yorkshire Wolds.

### *Walks from the Door*

- Great walk from Bishop Wilton to the top of the hill, smashing views, take a penny to make a wish at the wishing tree and find the fairy door if you can. Map in back.
- Walk to the Jubilee Park in Fangfoss, visit the pottery and rocking horse shop followed by lunch at the Carpenters Arms.
- A day out walking to Millington and back, set off in good time. Go for a walk in Millington woods and along Millington Pastures. Look out for bluebells and wild garlic in spring/summer and the Red Kites above your head in autumn/winter. Enjoy lunch in Millington village. Please check opening times, as these can vary.

# Things to do and see

---

## ■ **WOODLAND ADVENTURE**

Woodland adventure sessions for 2-11 year olds.  
[thewoodlandadventurecompany.co.uk](http://thewoodlandadventurecompany.co.uk)

## ■ **BURNBY HALL GARDENS**

A haven of tranquility with beautiful themed gardens and cafe.  
[burnbyhallgardens.com](http://burnbyhallgardens.com)

## ■ **MURTON PARK**

Home of the Yorkshire Museum of Farming, the Danelaw Centre for Living History and the Derwent Valley Light Railway. (Easter to end of October)

## FEEDING THE BIRDS IN WINTER

Help us to keep the wild birds full in winter. Please help yourself to the free bird fat balls from outside the welcome room. These can be used to fill the bird feeders around the lodges.

Since the beginning of this project we have seen a huge increase in the birdlife at Wolds Edge. In 2016 the bird boxes at Deepdale and Fairytale lodge each offered a safe nest for Blue Tit's families, we watched the chicks hatch and grow on the bird box cameras.

**HAVE YOU  
TOUCHED OUR  
CHICKENS OR  
COLLECTED THEIR  
EGGS? REMEMBER TO  
STAY SAFE AND  
WASH YOUR HANDS  
AFTERWARDS.**

**PLEASE HELP YOURSELF TO THE APPLES IN THE AUTUMN.**

## GRANDMA'S APPLE CRUMBLE RECIPE

400g-500g cooking apples  
50g sugar.

150g SR Flour  
75-100g marg.  
50g sugar.

1. Switch on oven 180°C Gas 4.
2. Peel and slice apples into a pan of water (prevents browning)
3. Drain cook slowly until soft add sugar.
4. Pour into oven proof dish.
5. Sieve flour add cut up marg and rub into flour until like breadcrumbs. Mix in sugar.
6. Sprinkle over cooled apples, do not flatten.
7. Bake for 30-40 mins until browned.
8. Serve with cream ice cream or custard.

## HOW TO BUILD A DEN

- First get some big sticks and some small sticks
- Then find a good tree
- After that put up the sticks up against the tree
- Put the leaves over it to make it camouflaged
- Then put grass, leaves and moss in the den so you can have a comfortable time.

WOW!  
Ewan, age 9

We aim to keep all the information in this Welcome Pack up to date, but please let us know if there are any changes needed.

Thank you
